

# Weddings at Fir-Conway Lutheran Church

Weddings \$1,000

~Seating for 50 to 250~

The donation includes the services listed below:

- Use of our 1888 Historic Church located in the beautiful Skagit Valley on Fir Island. We are just over the Skagit River and quite close to I-5.
- Meet Pastor Sylvia to discuss your spiritual beliefs regarding marriage and her ability to perform the marriage. As a couple you will meet with Pastor approximately three times as you prepare for your marriage. The purpose of these meetings is to help you prepare for your wedding and even more importantly, your marriage. Marriage care is critical to successful, life-long relationships.
- The Wedding Coordinator assists the minister in carrying out the wishes of the bride and the church. You will meet with her 2-3 times as you prepare for your wedding. She will go over the wedding booklet/protocol and answer any of your questions. She provides valuable insights, shows you and family around the facility and is there during the decorating and rehearsal. Wedding day she opens the church, receives flowers, helps with boutonnieres and corsages, welcomes family, runs the elevator and is at the church the entire time.
- You will have time to decorate before or after your rehearsal the day before your wedding.
- If you would like your Pastor to help with the ceremony this can be discussed with Pastor Sylvia.

# Fellowship Hall \$400 Max 4 hours
